

MAP OF ZOO LIBEREC

with a revised visitor route during the reconstruction of the giraffe pavilion

RECONSTRUCTION OF THE GIRAFFE PAVILION

2025/2026

In the second half of September 2025, the reconstruction of the giraffe pavilion and the adjacent outdoor enclosure began. The giraffes will return to the twice-expanded enclosure in autumn 2026. The pavilion building itself will also undergo a transformation, which will be more comfortable not only for the animals but also for their keepers after the repairs. Visitors can also look forward to new species of animals.
